

Oxygen Testing for Patients to get PORTABLE Oxygen coverage from Medicare & Medicaid

(One type of testing for O2 portable)

**DO NOT USE THIS FORM AS DOCUMENTATION FOR INSURANCE COVERAGE-
MUST BE IN DOCTOR PROGRESS NOTES!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

Simple Pulmonary Stress Test

1. Record O2 Sat at REST AND ROOM AIR _____
2. Record O2 Sat at AMBULATION AND ROOM AIR _____
3. Record O2 Sat at AMBULATION AND OXYGEN _____, O2 LITER FLOW _____

ALL THREE STEPS MUST BE CONDUCTED AND IN THIS ORDER WITHOUT STOPPING.

PLEASE NOTE THAT IF PATIENT IS AT **REST** AND **ROOM AIR** AND O2 SATURATION IS **88% OR LESS**, THE TESTING IS CONSIDERED QUALIFYING AND NO NEED TO CONTINUE STEPS TWO AND THREE.

*********This form is only for informational purposes. Please ensure that all wording (Chronic Stable State or no apparent distress) and O2 sats and LPM are in **VISIT NOTES** for insurance coverage purposes. Call 979-968-6680 if you have any questions. *******

Note: If patient's O2 sat is 88% or less at REST/ROOM AIR, no need to conduct steps 2 and 3.
